# **Comprehensive Needs Assessment Data Documentation**

# Goals

Students will achieve their full potential through a system that is responsive to the academic, social, and emotional needs of the student.

All students will make at least one year's progress in reading and mathematics by the end of school year. a) Meet the progress monitoring targets in Prekindergarten - 3rd for each demographic group as measured by district approved screeners (BOY, MOY and EOY) to achieve the HB3

The system will utilize efficient and effective operations to support and improve the learning organization.

All students and staff will learn and work in a safe and responsive environment.

Increase the percentage of students and staff who report feeling safe at school.
